The aim of a 'Come & Try Motorkhana' day is simple -

"You come along, have a go at the events, and have fun whilst learning valuable skills from the club members there on the day."

You will not need a drivers licence to compete, and your road car will be fine. We will provide you with a CAMS 'One Day' licence on the day. Note that if you want to compete in more than one 'Come and Try' event in the calendar year you will need to join a car club. If you're a learner driver then make sure you enter the time in your log book, as this is valuable driving experience !

Eastern Creek is run on wet concrete, while Ansell Park is a loose surface, so your car could get dusty.!!

This is not a speed event, it is about improving your driving skills. We look forward to seeing you on the day !
